

Voice-On-Hold Audio System

A professional presentation to your telephone callers every time

Please complete the following details to help us produce your on-hold script. Remember it's your promotion and you will have complete control over the final version. We will require you to approve the script before it is recorded.

Name	Company
Position	Address
Telephone & Fax	
Email	
Web Site	Postcode

List about 10 "bullet points" with details of your products and services that you would like your callers to be aware of. Think about how your company is better than others and why callers should choose you. Enter as much detail as you wish, when the box is full the text size will adjust automatically.

Print a copy of this form for your own records before you press the submit button opposite

Press to submit by email or print and return the form by post or fax.
